You are invited to join Special Reach for an exciting reception benefitting programs which enrich the lives of children with special needs in San Antonio. Our *Reaching Hearts Event* will raise a significant portion of our annual budget, and we humbly request the honor of your presence, as well as your support in the form of a contribution to continue to meet this growing need in our community.

Special Reach was founded in 2011. Born out of a desire to enrich the lives of families of children with special needs through unique programs, we are thrilled to report that our most recent attendance data shows a 136% increase in participation from 2019 despite the impact and challenges brought about by the pandemic. Our ever-popular Summer Enrichment Program, San Antonio Adventure Program, and our fun-filled Party Nights (Parents' Night Out) have positively impacted the lives of children with special needs in San Antonio, as well as their siblings, parents, and caregivers.

Proceeds will fund programs that benefit families of children in San Antonio with special needs such as autism, Down syndrome, cerebral palsy, intellectual disability, and more.

WHAT MAKES US UNIQUE?

- No child is turned away for financial reasons.
- All Special Reach programs are staffed with highly trained personnel, such as state certified Special Education teachers, Speech Pathologists, RNs, etc.
- Our exclusive programs provide the children with a wide range of unique experiences.
- Our variety of in person and virtual programs keep families engaged and have a positive impact on children with special needs and their families.
